

PSTAT 120A: Midterm Examination Information

Summer 2022, with Ethan Marzban

Exam Date: Thursday, July 7, 2022 from 2 - 3:05pm PDT

Exam Location: Broida 1610 [note that this is **not** our usual classroom]

1 Coverage

The midterm will cover material up to and including Tuesday July 5th's lecture, with an emphasis on material from the first two weeks of the course.

2 Allowed Materials

- One 8.5 × 11-inch note sheet, front-and-back, handwritten (written on an iPad is fine so long as it is not typed)
- A calculator (any kind is permitted)
- Writing utensil(s)
- You will **not** need any scratch paper, as some will be provided to you with the exam.
- You also will **not** need a BlueBook; you will be writing answers directly on your exam.

3 Exam Timing

- Please arrive and be seated by 2:00pm; we will begin passing out exams at 2:00pm, but you are not to begin taking the exam until instructed to do so.
- At 2:05, the exam will begin and last until 3:00pm (for a total of 55 minutes).
- At 3:00pm we will begin collecting the exams; **nobody is to leave the examination hall until all exams are collected.** (We will work to ensure everyone is able to leave by 3:05, in time for their next classes.)

4 Seating

Seating will be assigned; seating assignments will become visible on Gauchospace by 6pm on Wednesday, July 6. If you require a Left-Handed Desk, please fill out [this](#) form by 11:59pm on Monday, July 4.

5 Content

The exam will be a mix of multiple choice questions and short-answer questions. Currently I do not know exactly how many of each type will be on the exam, but it is safe to assume that the majority of the exam will be short-answer questions.
